GEARING UP FOR THE BIG WEEK WITH A GET-TOGETHER SESSION

Excitement is building as HKMW2024 approaches! On 22 October, representatives from various organisers gathered for a **Get-Together Session**. The atmosphere buzzed with energy as the Chairman of PEC, Mr Wellington Koo, J.P. opened the event with a warm welcome speech.

Following this, the representatives shared their insights about the upcoming events planned for HKMW 2024.

Hong Kong Trade Development Council is once again showing its strong support for HKMW by organising **Asian Logistics, Maritime and Aviation Conference** on 18-19 November. This exciting event will bring together logistics, maritime, air freight and supply chain management services providers and shippers, to exchange market intelligence and explore business opportunities in the region.

On 19 November, The Hong Kong Federation of Insurers will present a seminar titled **Marine Loss Prevention & Investigation for Cargo & Yachts + IUMI Global Marine Market Sharing & Update**. On 21 November, Marine Insurance Club will host a seminar titled **A Deep Dive in Recent Important General Average Development from Adjusters' Perspective**.

Additionally, on 20 November, Shipping Research Centre, The Hong Kong Polytechnic University will host **Knowledge Transfer Forum on Shipping and Trade: Challenges and Opportunities in the Greater Bay Area** where academics and practitioners will discuss pressing shipping and trade issues unique to the Greater Bay Area.

Don't miss out on other noteworthy events, including **Hong Kong Maritime Week 2024 "Xin Hong Zhuan" Visit to Hong Kong Activity**, organised by Hong Kong Seamen's Union on 18-23 November, and **EU Orcele Horizon Project: Catching the wind towards zero emission shipping**, organised by StormGeo on 21 November, etc.

EXPANDING HORIZONS WITH NEW ORGANISERS

This year's HKMW is shaping up to be bigger and better than ever, featuring a lineup of new organiser with their exciting events, including:

- **Hong Kong Global Maritime Trade Summit**, organised by International Chamber of Shipping on 18 November.
- **From Waste to Wealth: Unlocking Investment Opportunities in Ship Recycling**, organised by International Maritime Organization on 22 November.
- **Artificial Intelligence (AI) in the Shipping Industry**, organised by Andrew Moore and Associates on 19 November.
- **Alternative Fuels – The Risk, Liability and Insurance**, organised by The West of England Ship Owners Mutual Insurance Association (Luxembourg) on 21 November.
- **Norwegian solutions driving the green transition: Alternative Fuels & Energy Optimization**, organised by Innovation Norway and Royal Norwegian Embassy in Beijing on 21 November.
